Not just hot dogs and s'mores!!!

Think happy thoughts about warm weather and roasting marshmallows around a campfire!

As we quickly learned during our research, camping has gone gourmet! With terms like 'glamping' (glamorous camping) becoming more common, it's not surprising that people expect better than cold hot dogs.

Bears and mosquitoes and snakes! Oh My!!

Whether you're an avid outdoorsman or not, the food is delicious! The recipes we have chosen work for camping trips, but also work for daytrips, backyard picnics, or just because!!

You'll Need

- Individual Bags of Fritos or Doritos
- Shredded Chicken
- Shredded lettuce
- Chopped tomatoes
- Chopped onions
- Chopped avocados
- Sliced olives
- Shredded cheese
- Sour Cream
- Salsa
- Any other taco toppings you may like

Anna's Recipe

Walking Tacos

Crock Pot Shredded Chicken

- 3 chicken breasts
- 1 taco seasoning packet
- 1 jar of salsa

Combine above ingredients in crock pot and cook on low for about 6 hours.

When chicken is tender then pull it out and shred it, adding enough of the remaining salsa juice to the chicken to keep it moist.
